CELLULITE
TREATMENTS

Is there really a cure for cellulite?

It can be brushed, massaged, wrapped, sucked, detoxed or smothered with pricey creams. But can cellulite actually be magicked away? **Vicki Norton** investigates

DO THEY WORK? TREATMENTS AT-A-GLANCE

THE PRODUCT	WHAT HAPPENS?	THE SCIENCE	ON TRIAL	THE RESULTS
MESOTHERAPY £60 for one session, £450 for 8, £800 for 16 at The Boston Clinic Tel: 0207 229 3904.	Injections shoot vitamin B1, homeopathic ingredients and local anaesthetic 4mm beneath the skin.	The solution increases the area's metabolism, lymph and venous drainage.	The use of needles may cause slight bruising, but this should soon disappear.	32 per cent of a research group claimed very good results, with some loss of weight.
